Luther Midelfort

Mayo Health System

Emergency Medicine Physician Joins Staff

Dr. Robert Wynkoop
Emergency
Department

Dr. Robert Wynkoop has joined the Emergency Department. Dr. Wynkoop received his medical degree from Oregon Health Sciences University in Portland, Ore. He completed an emergency medicine residency at the University of Louisville in Kentucky. He earned his bachelor's degree in psychology at Portland State University.

Before joining Luther Midelfort, Dr. Wynkoop worked with Kentuckian Emergency Physicians in Louisville and Ministry Medical Group Northern Region in Woodruff, Wis. He has been a clinical associate professor of emergency medicine at the University of Louisville and director of emergency medical services at Norton Southwest Hospital in Louisville. He served on the emergency and trauma services committees at Howard Young Hospital in Woodruff. He is board certified in emergency medicine and is a fellow in the American College of Emergency Physicians and the American Academy of Emergency Physicians.

New Director Joins Medical Telemetry/ Intermediate Care

Deborah Brown is the new
director of Medical
Telemetry/Intermediate
Care

Deborah Brown, R.N., recently joined the Luther Midelfort staff as director of Medical Telemetry/Intermediate Care. Deborah comes to Luther Midelfort from Westlake Hospital in Melrose Park, Ill., where she was director of a 20-bed telemetry/intermediate care unit and a two-suite cardiac cath/special procedures lab for the past 20 years. Deborah received her BSN degree at St. Louis University and is cardiovascular nurse certified.

Deborah's husband remains in Illinois where they are waiting for their house to sell. She also has two daughters, ages 24 and 22. Her older
